The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to evaluate whether the engagements submitted for review were performed and reported on in conformity with applicable professional standards in all material respects. An Engagement Review does not include reviewing the firm's system of quality control and compliance therewith and, accordingly, we express no opinion or any form of assurance on that system. The nature, objectives, scope, limitations of, and the procedures performed in an Engagement Review are described in the standards at www.aicpa.org/prsummary.
